Start / stop video

Alt + Y
Raise / lower hand

Alt + S
Share screen

Alt + R
Record locally

Alt + H
Show / hide chat

Alt + Q
End or leave meeting

CONCEPTS

Most in-meeting shortcuts only work while the Zoom meeting window has focus. Shortcuts can be made global in Settings > Keyboard Shortcuts, but only the ones Zoom marks as eligible.

Shown are Windows keys. On macOS most Alt+letter shortcuts become Cmd+Shift+letter (Cmd+Shift+A mute, Cmd+Shift+V video); Alt+Y becomes Option+Y. A few exist on one platform only.

Join mic and camera check
Share window or screen
Collaborate chat, hands, reactions
Wrap up record, leave
Typical call

RECIPES

Join muted and quiet

```
# before joining
Alt+A     # mute once in
Alt+V     # camera off
# listening only
Alt+A     # unmute again to
speak
```

Present a window

```
Alt+S          # open the share
picker
Alt+T          # pause while you
switch
Alt+T          # resume
Alt+S          # stop sharing
```

Record and invite

```
Alt+I          # invite window
Alt+Shift+I     # copy the link
Alt+C           # cloud record
```
